

Did You Hear?

Just a couple days ago on September 27th, Our Daily Bread was recognized for the Champions of Health Award in the Community Health category through the Oklahoma Caring Foundation. The Foundation recognizes and rewards individuals, organizations, programs, and non-profits that make a difference in their Oklahoma communities and help create a pathway for healthier lifestyles. We are extremely honored to receive this accolade, and we will go forth striving for the same degree of excellence year after year. We cannot stress this enough - our community and

army of volunteers are the backbone of our success story.

Volunteer Spotlight

Let me introduce you to a couple of our volunteers, Marvin and Margie Keener. This couple volunteers their time and energy by serving, empowering, and loving our neighbors at ODB. Margie acts as our Monday receptionist, and Marvin shops with clients Mondays and serves on our intake team on Wednesdays. We could not do what we do without volunteers like the Keeners. Marvin, and Margie, thank you immensely for being rockstar volunteers. Here's to the two of you!

Item of the Month

Every month we are asking for items that are always in high demand. People say breakfast is the most important meal of the day! During October, we're asking for **breakfast items**, such as cereal, granola bars, pop-tart type pastries, and any other pantry breakfast item.

We still need egg cartons and plastic bags! Every couple weeks we order eggs that come in bulk, so we do not have another way to repackage them for our guests. Moreover, we always need grocery bags, so we can our guests home will full carts of groceries.

Save the Date!

October is the second month to have the Baby Mobile on site! Last month, 59 families were able to get diapers and formula for their sweet babies. **The Baby Mobile will return Thursday, October 18th from 9:00 am -12:00 pm.** There are no eligibility requirements, so anyone in need can come while supplies last.

Another date to remember is **December 1st.** We will hold our annual **volunteer**

holiday party on the first Saturday at the First United Methodist Family Life Center. Look out for more details in November!

Community Served

In September, Our Daily Bread served **959 households** and **2,494 individuals!**
